

**CITY OF IRVINE  
MEMBER OF THE CITY COUNCIL**

**DEBBIE COVEN**

**AGE: 46**

**OCCUPATION:** Irvine School Board Member

All of us should be proud of Irvine. Our City is the safest and most successful planned community in America. We owe it to ourselves and our children to make Irvine even better. This is why I'm running for the Irvine City Council.

I'm now completing my term as an Irvine School Board Member where, working with hundreds of parents, I led the effort to preserve smaller classes for elementary school students. There were doubters who said we couldn't do it, but we got the job done!

As a City Councilmember, I'll bring this same "can-do" attitude to my work on behalf of all Irvine residents. Here's where I stand on key city issues:

First, I'll support our continued investment in a highly professional Police Department to ensure that Irvine remains among America's safest cities.

Second, I'll remain faithful to the Irvine General Plan and maintain firm control over growth and development.

Third, I'm committed to maintaining balanced budgets and balanced priorities. This includes developing the nearby Great Park without any additional taxes.

I truly believe that for Irvine the best is yet to come! Please vote for me on November 2nd. Thank you for your support.
